OBJECTIVE

Passionate B.Tech AI student with a solid foundation in Computer Science, eager to harness skills in Java, Python, and SQL to innovate and solve complex challenges. Equipped with quick learning and leadership abilities, I thrive in dynamic environments, continuously growing through coding competitions and team collaborations.

EDUCATION

Ravindra College Of Engineering For Women, Kurnool <i>B.Tech in Computer Science Engineering(AI) – CGPA – 8.3</i>	Expected 2026
Sri Gayatri Junior College, Kurnool – Intermediate – MPC – CGPA – 9.8	2020 - 2022
Govt High School, Kurnool – SSC – GPA: 10.0	2020

SKILLS

Technical Skills:

- Java
- SAP datasphere-Basic
- Python
- DBMS (SQL)
- DBMS (SQL)
- PowerBI-Basics
- Machine Learning-Basics
- GenAI - Basics

Soft Skills:

- Communication Skills
- Quick Learning
- Problem Solving
- Leadership
- Time Management
- Team Work

WORK EXPERIENCE

ACCENTURE ([View](#))

May 2025 - July 2025

Associate Software Engineer Intern

Bangalore, India

- * Worked on SAP Datasphere for data modeling, transformations, and reporting.
- * Developed calculation views and implemented business logic within SAP Datasphere.
- * Gained hands-on experience in integrating and analyzing billing, customer, material, and company datasets.

PROJECTS

TRAVEL AND LOGISTIC BOOKING AUTOMATION SYSTEM [🔗](#) | Java, MySQL

- * Developed a dynamic, menu-driven console application using Core Java and MySQL.
- * Implemented user registration, authentication, and account locking.
- * Planned journeys with validation, billing, surge pricing, and rescheduling features.
- * Handled exceptions gracefully and maintained proper logging.

PREGNANCY RISK PREDICTION SYSTEM [🔗](#) | Python, Scikit-Learn, FastAPI, Streamlit

- * Built and deployed an ML model to predict pregnancy risk from health indicators.
- * Integrated FastAPI for APIs and Streamlit for a clinician-friendly interface with PDF report generation.

CERTIFICATIONS

- * **Hands-on SQL Online Course** – Frontlines EduTech Pvt. Ltd. ([View](#)) **June - 2024**
- * **Hands-on Java Online Course** – Frontlines EduTech Pvt. Ltd.([View](#)) **Apr–May 2024**
- * **Introduction to Generative AI** – Google Cloud.([View](#)) **Sep - 2025**

ACHIEVEMENTS

- * **First Prize** – Science Quiz 2023, organized by ISTE, IEEE & IETE Student Chapters on National Science Day, Ravindra College of Engineering for Women, Kurnool. **([View](#))**
Feb - 2023
- * **Third Prize** – Battle of Code contest at TECHTALES: An IEEE Odyssey 2023, organized by IEEE GPCET Student Branch in association with GPCET, Kurnool. **([View](#))**
Nov 2023

EXTRACURRICULAR

- * Participated in multiple coding competitions on platforms like CodeChef, Leetcode and HackerRank.
- * Assisted in organizing college fests, coordinating teams for smooth execution.
- * Participated in hackathons and coding challenges to develop innovative solutions.
- * Actively participated in dance performances at school and college-level cultural events.
